## Cheeky Drawing & Burlesque Bucks

Ok it's your job to get the boys together and offer something fun and out of the box memorable! We have just the event for you, how about having a hilarious time drawing a divine dame?

We provide all the drawing materials, the beautiful burlesque performer/life model, drawing host and fabulous music to set the scene & an optional extra is a topless waitress.

One of our fabulous burlesque performers will tantalise your drawing tastebuds while she shimmers her way through a burlesque dance performance, while you draw her moves. Think like musical chairs, pause & draw..to some sweet tunes! Burlesque Bucks is a fantastic tasteful event that offers your Groom-to-be and the boys a gorgeous luscious lady without the need to go to the strip club.

**OPTION 1:** 1 hr of Cheeky Drawing a beautiful dame while she strips off her beautiful burlesque costume.

**OPTION 2:** We can also offer a Topless Waitress by the hour to serve the boys drinks throughout the event. So how it might work timing wise:
